

March 19, 2019

Dear Sir or Madam:

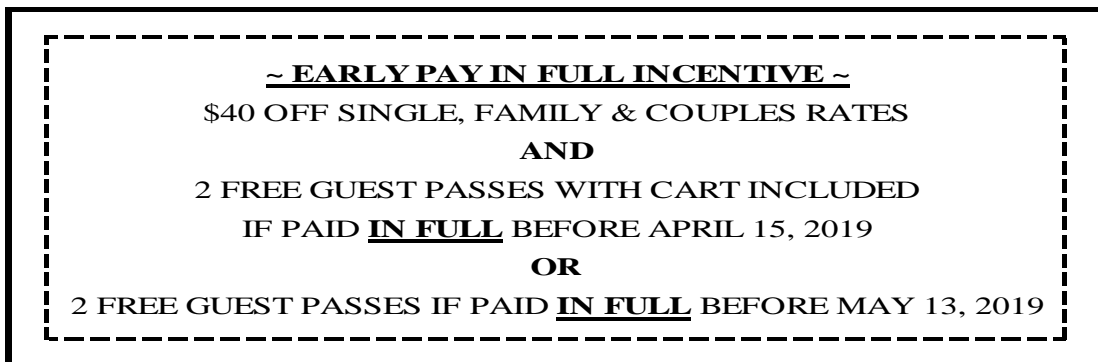

The 2019 Golf Season will be underway shortly! We are excited for another year and hope to see you often. The pro shop will open when the weather turns around by hopefully mid April. Until then, please bring all membership applications to City Hall. With warmer weather just around the corner we ask that you keep carts off of the course until staff gives the all clear.

Some minor rate changes have been made to adjust for inflation. You will notice that we have made changes to the membership rates and seasonal cart rental fees. Be aware that these rates are still well under the average rental rates in the area.

We look forward to using our carts again this year with their expanded GPS capabilities. If you are choosing to use our seasonal golf carts, they will only be available between April 1, 2019 - October 31, 2019. Any use outside of this range will be up to the discretion of staff and the weather conditions.
