

EVENT INFORMATION

2022 MEN'S WEDNESDAY LEAGUE

SIGN UP BELOW FOR WEDNESDAY MEN'S LEAGUE!

Details:

- 14 Week league starting June 1 through August 31.
- Meal (included in league fee) and recap on or about Sept. 7
- LGC members only.
- Turn in scorecard weekly to Pro Shop including the color of tee you play.
- Teams will be formed based on handicap. All members have USGA handicap included in your membership this year. If you haven't had one before, stop in the Pro Shop to get it set up.
- Weekly team scores will be tabulated using the three lowest individual net scores first and then the two lowest individual gross scores turned in each week. Lowest team score for the week earns six points, next lowest earns 5, etc. Points awarded could change if we have more than the six teams we had last year.
- All putts must be holed out. Play the ball as it lies.
- If you are unable to play on a particular week, please find a substitute.
- We would like to develop a substitute list. If you do not want to commit to playing every week, maybe being a sub would work for you. Sign up in the sub category below. Subs league fee will be \$20 (eligible for meal at end of season).
- It is permissible to play prior to Wednesday as long as you play with another league member and turn in your score to the pro shop noting that you are playing early.
- LEAGUE FEE IS \$40 and includes year end meal and cash payout for teams.
