Handicap: _____

Completed form and registration fees can be dropped off at the Pro Shop.
ALL CHECKS MUST BE MADE PAYABLE TO JOHN CARLSON.

2023 Litchfield Thursday Evening Ladies Scramble League

Team Rules

- Have Fun!!!
- The format is **Best Position *Team Scramble**.
- Each team consists of three female golfers. Teams may list four female golfers. All team members listed are required to stay on the same team for the duration of the season.
- Fee to play is \$60 / team.
- **Matches start at 5:30 PM** ** If a member of a team is late, start on time with the players who are present. Late players may catch up to their group at the next hole.
- You should provide a substitute if you are unable to play. We will work to develop a substitute list. Subs do not need to be on the sub list to be eligible to play. Teams may consist of 1, 2, or 3 players, so a team may play with 1 or 2 players only if subs were not found.
- When a team only has 2 players, they do NOT get to take a 3rd shot for the missing player.
- Upon completion of each hole and match, confer with the opponent for score agreement. The score card will be turned in at the end of the match in the Pro Shop.
- Four strokes over par, is the maximum score allowed on a given hole. (i.e. on a par 3, 7 is the maximum score, etc.) Move onto the next hole after the four over par stroke maximum is reached. Unless your team has hit the “4 stroke limit”, complete every hole. Points awarded for total strokes.
- We will have occasional “events” (closest to the pin on par 3. Longest putt, etc.) as well as award league winners at the end of the season.
- Each week we will play the 9 holes opposite of the previous week. Since we will have a shotgun start at 5:30 PM, we can accommodate 18 teams. Start recruiting! We need an even number of teams.

Play Rules

- ***Best Position** format requires all team players to tee off their own balls. After which, the team chooses the ball in the best position. All team players take their next shot from this position. This continues until the ball is in the hole.
- You can move the ball one club length distance not closer to the hole. You may not improve your lie (i.e. moving the ball from rough to fairway, fairway to fringe or fringe to green.)
- Once the ball is on the green you may not improve your lie.
