2023 Litchfield Adult 2 Person Monday League

Hello league players! We are excited to get the ball rolling for 2023! League will begin on Monday, May 15th. This will be a 12 week league split into two halves followed by a 2 week playoff. No league on May 29th or July 3rd.

Format:

- The format for league will be a modified version of low ball, low total. You and your partner will be paired up against another team in your league. Your team will be going head to head against the other team for nine holes. Based on handicap, you will be paired against the other team by individual score after handicaps are applied. There are three points possible to earn on each hole for 9 holes (2 points for lowest individual net score and 1 point for lowest combined net score. All ties are split in half.) Please be sure to turn the scorecards into the Pro Shop at the end of the match. All scores should be calculated by your group! Scores not totaled will result in zero points for all golfers on that card.
- **All players need a MGA handicap. Members handicap is included in your membership, Non-members must purchase one at the Pro Shop.**

Substitutions/Rescheduling:

- If you are going to miss a week of league, it is your responsibility to find a substitute for that week. The Pro Shop is not responsible for finding you a substitute. We will put together a list of substitutes and have them available in the Pro Shop for your use. If you cannot find a substitute for the league, communicate with your opponents to reschedule your match for a different day during the week. You will have one week to make up your match. Please inform the Pro Shop of any rescheduling or tee times needed. If you do not show up for your match on league day with no substitute, or communication to your opponents, you will forfeit 20 points to your opponents. In the event of a last-minute emergency causing you to miss the league, please make an effort to contact your partner or opponents to inform them of your absence. Scorecards will not be accepted for a team who attempts to play their match independently of their opponents for that particular week.

Playoffs:

- At the end of the first 6 weeks as well as the second 6 weeks, awards will be given to the top 2 teams. Seeding for the playoffs will be based on your place at the end of 12 weeks.

Thank you for joining this year's league. HAVE FUN!
